HOSTING AN ART PROJECT

If selected, your venue will be on a list that is made available to local and visiting artists selected by Nocturne. The artists then contact the venue owners. The Nocturne Program Guide provide details about projects, and guides residents and visitors with a map to our participating venues. Hosting a project is a great way to generate interest and exposure for your space and organization.

Please note: Your venue should be accessible to the artist on Saturday, October 15th at 8 am until 12:00 pm on Sunday, October 16th to give the artist time for the preparation and removal of a project.
